STARTENGO ACADEMY

TO DEVELOP YOUR SKILLS

THE PROPOSAL :

The future of your business largely depends on the managerial and operational skills of the women and men who give it life. We support you in the development of both their business and marketing knowledge.

To do this, we build, along with you, suitable training courses, adapted in terms of content, level (information, synthesis, management, independence), pace and resources (face-to-face, e-learning, virtual classroom).

THE POSITIVE ELEMENTS OF THIS SOLUTION :

Personalised
courses

Administration
via our LMS

Performance
measurement

DataDoc
certified

THE STAGES :

- ❑ Analysis of company's objectives and needs of future participants
- ❑ Build of the training courses and help with the management of the funding documentation
- ❑ Participation in the training modules concluding with a quiz and / or exercise
- ❑ Measurement of participant satisfaction and course performance
